Dedication

We, the Senior Class of 1954, gratefully acknowledge a debt that we owe to the citizens of Grapevine. You have given us our opportunity of gaining an excellent education in a new building. We hope that in looking over this yearbook you will receive a deeper understanding of the work and recreation of the Grapevine Schools. For this reason, we appreciatively dedicate our 1954 "Mustang" to you, the people of Grapevine.

A TRIP THROUGH GRAPEVINE SCHOOLS

We invite you to take a trip through the Grapevine Schools. Usually it takes twelve years to complete the required course of study, but we are going to span that time by picturing one typical year, 1953-1954.

At approximately 8:30 A.M. I arrive on the Grapevine School campus in one of the six school buses. I leave at approximately 3:50 P.M.
